By deleting from Section 1 of the bill the language:

within thirty-five (35) days after the initial consideration of the plat by the planning commission.

and by substituting instead the following:

within sixty (60) days after the initial consideration of the plat by the regional planning commission meeting in a regularly scheduled session unless at the end of the sixty (60) day period there is a holiday or an unexpected interceding event that would close municipal or county government offices and thus affect the normal computation of the sixty (60) day period, in which case the plat shall be approved or disapproved after the interrupted sixty (60) day period at the next regularly scheduled meeting of the regional planning commission

AND FURTHER AMEND by adding the following language at the end of Section 1:

When a plat has been filed with the appropriate officials of the planning commission, the plat shall be placed on the agenda of the planning commission within thirty (30) days of the filing or the next regularly scheduled planning commission meeting after the thirty (30) day period. The applicant may waive the time frame requirement for the appearance of the plat on the agenda.
